If your children are in care and you usually see them in person for Family Time (contact), talk to your child's caseworker/ case manager about bringing them to the BBQ. Make sure you give the worker enough notice to consider the request and make arrangements.

If you need support to do that, talk to a FISH peer worker - free call on 1300 942 598.

To help us with catering, please let us know you will be coming and how many adults and children will be there.
