

ARE YOU READY TO WORK TOWARDS GETTING YOUR CHILD BACK HOME?

FISH ARE HERE TO SUPPORT YOU AND YOUR CHILDREN.

Want to know what it takes to get your kids home?

Want to know how to plan for restoration?

Want to understand the role family time plays in restoration?

Want to hear real life restoration experiences?

THIS 2 DAY WORKSHOP IS FOR YOU!

Gain Insights and tools on how to work towards your children coming home. Learn how to take control and be proactive while your child is in care.

WORKING TOWARDS RESTORATION

- January Tues 28th & Wed 29th 10am-3pm
- February Wed 26th & Fri 28th 10am-3pm
- March Wed 26th & Fri 28th 10am-3pm
- April Mon 28th & Wed 30th 10am-3pm

Discussions Include: Being child focused, Domains of wellbeing, Record keeping, Communicating and relationships, How to approach meetings to be the best advocate for your child, Family time and using it as a tool for restoration, Different types of plans and how to get involved, Support and self-care.

This workshop shows you how to be proactive for your children and how to be part of decision making. Learn what it takes to get your children home. Hear real life experiences of how Restoration worked for our peer workers!

We provide: Coffee/tea, lunch, and snacks | A workbook full of activities, useful links and resources (for during and after the workshop) | A journal to keep records | A certificate of completion
